An ideal society requires some groups to be on top and others to be on the bottom.							
We should work to give all groups an equal chance to succeed.							
We should do what we can to equalize conditions for different groups.							
What our country really needs instead of more “civil rights” is a good stiff dose of law and order.							
What our country really needs is a strong, determined Chancellor which will crush the evil and set us on our right way again.							
Obedience and respect for authority are the most important values children should learn.							
The real keys to the “good life” are obedience, discipline, and virtue.							
I think that social change is possible.							
In Chile, people are compensated for their efforts.							
In Chile, people are compensated for their intelligence and abilities.

MODULE C: CITIZENSHIP AND DEMOCRACY

C33 Commonly in society, distinct social groups and classes exist.

The people of the upper class are those that have the highest incomes, the highest education level and the most valued jobs.

The people of the lower class are those that have the lowest incomes, the lowest education level and the least valued jobs.

Between these classes exist intermediate ones.

In your opinion, which of the following social groups or classes do you belong to?

It is fair that people with high incomes have larger pensions than people with lower incomes.							
It is fair that people with high incomes can buy better education for their children than people with lower incomes.							
It is fair that people with high incomes can access better healthcare than people with lower incomes.							

D3We would like to know how much you think that people earn monthly, after taking out the deductions related to taxes, healthcare, retirement, among others (net income), in the following jobs that I will mention. Many people are unsure, it is important that you share your opinion.
How much do you think is earned monthly by...?

Note the amount in pesos. If he or she does not know, write 88. If he or she does not respond, write 99.

In the event that the interviewee needs guidance, use the following examples:

Chairman of a large company: Companies such as Falabella, a director of Codelco or a director of Líder.

Unskilled worker: A construction worker, a factory worker, a bakery worker.

A. The chairman of a large national company?

B. An unskilled worker at a factory?
